By signature below, I understand that each day (a day = 24 hrs or less) that the R/V APALACHEE is away from homeport, the user is charged regardless of activity. Users are responsible for all charges when vessel is operated away from the FSUCML, which may include mooring/docking fees, any and all transportation, and meals for the FSUCML captains, housing and communication costs. Other charges may apply, depending on technical support needs for the cruise.
